YOUR ROOM

You will stay in a spacious room, similar to a hotel room, within the hub at the Harmonia village. Your room will provide everything you need for a comfortable stay...a single/double bed, TV, en suite accessible bathroom and storage.

THE HUB

An open community area, providing meals and refreshments, and allowing guests a place to sit back, relax and enjoy the surroundings. Seating is available inside and out. A jukebox plays a variety of music to suit all tastes.

OUR OFFER

The Harmonia Village provides a great base to explore the surrounding area...take a trip to Dover Castle or Canterbury Cathedral, walk the coastal pathways and local vineyards, or visit the medieval town of Sandwich, Folkestone's Art Quarter and the Margate Turner Centre set alongside a traditional fairground. The Harmonia Village is also the perfect place to act as a base for day trips to France.
